Guidelines for using the 2 CD Set for
MasterCat on PRISMe

ACTIVANT™

Guidelines for using the 2 CD set for MasterCat on PRISMe

Introduction

In order for you to view graphics on MasterCat, you will receive a second CD in your MasterCat post every three months. Both CD's are contained in a single plastic sleeve to ensure the CD's arrive safely at your desk.

Please read the following guidelines to ensure you obtain maximum benefit from the additional graphics data.

ACTIVANT™
